UNITED STATES DISTRICT COURT

8

FOR THE EASTERN DISTRICT OF CALIFORNIA

9

10 DAVID WEAVER and  
11 LUCINDA WEAVER,

12 Plaintiffs,  
13 v.  
14 ZIMMER, INC., and DOES  
15 1 through 50, inclusive,  
16 Defendants.

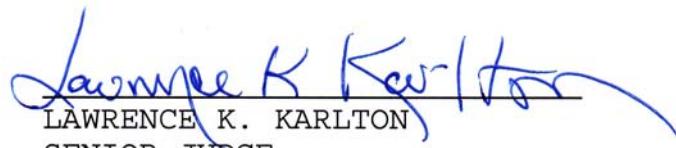

O R D E R

17 This is a medical products liability action. A status  
18 conference is presently set in the above-captioned matter for  
19 Monday, June 28, 2010 at 10:30 a.m. The Judicial Panel on  
20 Multidistrict Litigation ("Panel") has entered an order  
21 centralizing cases concerning the product at issue in the District  
22 of New Jersey. The parties here expect that the Panel will  
23 transfer the instant case to that district, although as of June 23,  
24 2010, no transfer order has yet issued. Accordingly, both parties  
25 request that the court defer entering a scheduling order pending  
26 a determination by the Panel.

1       Rather than delay this case indefinitely, the court CONTINUES  
2 the status conference to October 4, 2010 at 1:30 p.m. If the case  
3 remains before this court and no subsequent order has vacated the  
4 October 4 status conference, the parties SHALL file updated status  
5 reports no later than fourteen (14) days before that conference.

6       IT IS SO ORDERED.

7       DATED: June 23, 2010.
